

Tryouts for Pearland United's Competitive Program

Prospective U11-U18 Competitive Program players will be evaluated at tryouts conducted by our professional staff. Tryouts are open to all U10-U17 players, whether they are currently participating in recreational, Academy, or competitive soccer.

Tryouts are FREE and have no further obligations, but all players must register in order to participate. Please check back at our website in April for more information and tryout registration.
